

TEE'D OFF DRIVING OUT DIPG

6.22.21 | Lake Forest Golf Club | Ann Arbor, MI

Tee'd Off Outing

The Tee'd Off: Driving Out DIPG women's golf outing has become a favorite for local women supporting the ChadTough Defeat DIPG Foundation. It is a day to come together and focus on the DIPG kids who have fought, are fighting, or will fight this awful disease. From beginners to experienced golfers, everyone has a great time playing in this scramble tournament. The roughly 150 golfers will enjoy 9 holes, a continental breakfast, a lunch program, and a silent auction.
