## ABOUT THE EVENT

Join us for an unforgettable evening at Nationals Park, hosted by the ChadTough Defeat DIPG Foundation. Dream Big at Nats Park is a high-end fundraising event filled with fun, activity, and heartfelt moments as we come together to honor Michael Mosier, whose dream was to play Major League Baseball, and the many children who have lost their lives or are fighting now to beat DIPG. This special night includes a strolling dinner, access to batting cages, and other interactive experiences that embrace the spirit of play. Guests will enjoy dancing, a moving program with a live auction, and plenty of surprises along the way. The evening promises to inspire as we raise funds for critical research, while recognizing the children and families who have faced this terrible disease. Be a part of this powerful event and help us continue the fight to Defeat DIPG.

## WHY SPONSOR?

MAKE A POSITIVE IMPACT  
AGAINST THE DEADLIEST  
CHILDHOOD BRAIN CANCER

- ✓ DIPG is the leading cause of death from childhood brain cancer, with near 0% survival.
- ✓ Hundreds of children are diagnosed every year in the U.S. alone, typically between 4-11 years old.
- ✓ Most children die 9-11 months from diagnosis. Over 90% pass away within 2 years.
- ✓ There is finally HOPE for progress in finding a cure, but researchers need funds from organizations like ChadTough Defeat DIPG Foundation. We are a leader in the field, funding over \$36 million in DIPG research. Events such as the **Dream Big at Nats Park** are essential to our research efforts.
